

1) Foreword

As you are an important supplier of products to Bekaert, we request confirmation from you to be ready to comply with the law requirements in the EU REACH Regulation (Regulation no. 1907/2006), including but not limited to Annex XVII to the REACH Regulation and the so-called Candidate List of Substances of Very High Concern (SVHC).

2) Way of working

The European REACH legislation, and the impact it has is an issue of vital importance for Bekaert and our customers. As one of our suppliers you are required to fully comply with the requirements of the EU REACH Regulation, as well as to ensure the supply of goods to us is not disrupted. This applies to all products supplied to us.

In this respect we require you to list substances, preparations, components and parts (= articles) which contain substances listed on the Candidate List of SVHC ⁽¹⁾ or substances that are subject of a published Annex XV report ⁽²⁾ and to confirm by signing the form F.M.10.05.17 that you and your suppliers have ensured that all supplied products fully comply with the EU REACH Regulation and that you and your suppliers act according to the REACH requirements (including registration needs and communication obligations).

3) Contact

All questions regarding to the REACH Regulation including the updated SVHC should be directed to us using the contact information provided below.
