

CONFIRMATION REACH CONFORMITY FOR ALL SUPPLIERS

Supplier Contact Information:

Company Name: ...

Article number:...

Address: ...

Contact Name: ...

E-Mail: ...

We are a (tick right box):

EU/EER supplier

non-EU/non-EER supplier, but we have appointed an *only representative* within the EU/EER region

non-EU/non-EER supplier, without an *only representative* within the EU/EER region

We confirm that our company complies with all the requirements in the EU REACH Regulation (Regulation no. 1907/2006) including but not limited to the restrictions in Annex XVII (+ amendments) and the communication requirements with respect to Substances of Very High Concern (SVHC). In case we detect non-conformities which could generate business disruption we shall inform Bekaert immediately using the contact information below.

⇒ Please consult the **latest** version of the Candidate List on the ECHA website ⁽¹⁾.

By ticking this box we hereby confirm that none of our products that we supply to Bekaert contains any SVHC of the Candidate List in concentrations $\geq 0.1\%$ (w/w).

We have SVHC present in concentrations above 0.1 % w/w in our products.

Therefore, we inform you of which substance and how to use it safe.

Please fill out this form for each product containing SVHC. For products which are considered as substances or preparations, please refer to an updated SDS and add this SDS.

- Product name: ...
- Product identification number: ...
- Delivered product is a **SUBSTANCE/PREPARATION/ARTICLE** according to the definitions used within the REACH regulation (*please indicate correct answer*)
- SVHC substance in delivered product: ...
- CAS n° of SVHC substance: ...
- Concentration SVHC in delivered product/part of delivered product: ... % (w/w)
- Instructions for safe use of the product: ...

Please add an updated SDS if a delivered substance/preparation contains $\geq 0.1\%$ (w/w) SVHC.
