Re Questionnaire

Dear Mr ,

Our company would like you to confirm compliance with some directives and regulations related with chemical substances. Based on your answers, we are able to inform our customers with respect to their requirements to be met. Therefore, we would kindly ask you to complete the questionnaire below and send it back to reach@bekaert.com.

Our company buys the following product(s) from you:

If you are supplying more than one product as listed above, please fill in a separate questionnaire for each product.

Please ensure that the questionnaire is completed by (date) and returned, preferably by email (reach@bekaert.com)

Thank you for completing this Questionnaire.

Plant Manager,

I) Is the product compliant with:

- RoHS (2002/95/EC and amendments)

yes

no (*please comment per product you supply to us*):

- ELV (2000/53/EC and amendments)

yes

no (*please comment per product you supply to us*):

- PFOS (2006/122/EC and amendments)

yes

no (*please comment per product you supply to us*):

- Food contact (1935/2004/EC and amendments)

yes (*we attach our declarations of compliance*)

no (*please comment per product you supply to us*):

- FDA food contact approval (US)

yes

no (*please comment per product you supply to us*):

- BfR conformity (Germany)

yes

no (*please comment per product you supply to us*):

- Waste Directive (75/442/EEC and amendments)

yes

no (*please comment per product you supply to us*):

- Directive on hazardous waste (91/689/EEC and amendments)

yes

no (*please comment per product you supply to us*):

- Directive on packaging and packaging waste - Restriction of use of heavy metals
in packing (1994/62/EC and amendments)

yes

no (*please comment per product you supply to us*):

- Requirements for packaging recoverable through composting and biodegradation
(EN 13432)

yes

no (*please comment per product you supply to us*):

- REACH compliance (1907/2006 EC and amendments)

(including the registration of chemicals, communication requirements and Annex
XVII restrictions on the manufacture, placing on the market and use of certain
dangerous substances, preparations and articles)

yes

no (*please comment per product you supply to us*):

- Others:

yes

no (*please comment per product you supply to us*):

II) Is the substance(s) or the substance(s) in the preparation/product listed on the following Chemical Inventory:

- | | | |
|---------------------------------|-----------------------------|---|
| - US: TSCA | <input type="checkbox"/> no | <input type="checkbox"/> yes ^(a) |
| - Canada: NDSL | <input type="checkbox"/> no | <input type="checkbox"/> yes ^(a) |
| - EU: EINECS - ELINCS | <input type="checkbox"/> no | <input type="checkbox"/> yes ^(a) |
| - Japan: ENCS | <input type="checkbox"/> no | <input type="checkbox"/> yes ^(a) |
| - China: Chinese Inventory List | <input type="checkbox"/> no | <input type="checkbox"/> yes ^(a) |
| - New Zealand: NZLOC | <input type="checkbox"/> no | <input type="checkbox"/> yes ^(a) |
| - Korea: ECL | <input type="checkbox"/> no | <input type="checkbox"/> yes ^(a) |
| - UK: Red List | <input type="checkbox"/> no | <input type="checkbox"/> yes ^(b) |
| - Australia: AICS | <input type="checkbox"/> no | <input type="checkbox"/> yes ^(a) |

^(a): If the answer is **no**, please comment per substance you supply to us

^(b): If the answer is **yes**, please comment per substance you supply to us

III) Concerning the product(s) mentioned on the first page, do they contain SVHC ⁽¹⁾ part of the candidate list ⁽²⁾ as per art. 57 and art. 59 of REACH (1907/2006):

no

yes (*please comment per product you supply to us*)

Product:

Name of the substance:

CAS number:

Is the substance present in your product in a concentration $\geq 0.1\%$ weight by weight (w/w)?: yes, %w/w no

IV) In addition of the above mentioned data, we (the supplier, including non-EU suppliers) will send you a list of all "products" that contain substances part of the candidate list. We will send this information immediately after the publication of the updated candidate list. With respect to supplied substances and preparations this notice will be annexed by a safety data sheet (SDS) for products that contains substances of the candidate list in concentrations $\geq 0.1\%$ (w/w).

no (*please comment*):

yes

Name:

Date:

Signature:

¹ SVHC means Substances of Very High Concern = Category 1&2 Carcinogens, Mutagens and Reproductive properties (CMR), Persistent, Bioaccumulative and Toxic substances (PBT), very Persistent and very Bioaccumulative substances (vPvB), substances having endocrine disrupting properties.

² Up to date candidate list can be consulted on the ECHA website using the following link: http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp
