Re How to arrange transport to and from Concrete Expertise Centre Campus Deerlijk – **gate 700**

If you want to arrange a transport to/from the Bekaert Concrete Expertise Centre (beams to be tested, aggregates...) please follow this procedure to have a smooth delivery.

1 Shipping address

[NV Bekaert SA](#)

Concrete Expertise Center
Oude Heerweg 5 – gate 700
B-8540 Deerlijk - Belgium

 T +32 56 76 67 56
 M +32 477 98 93 05

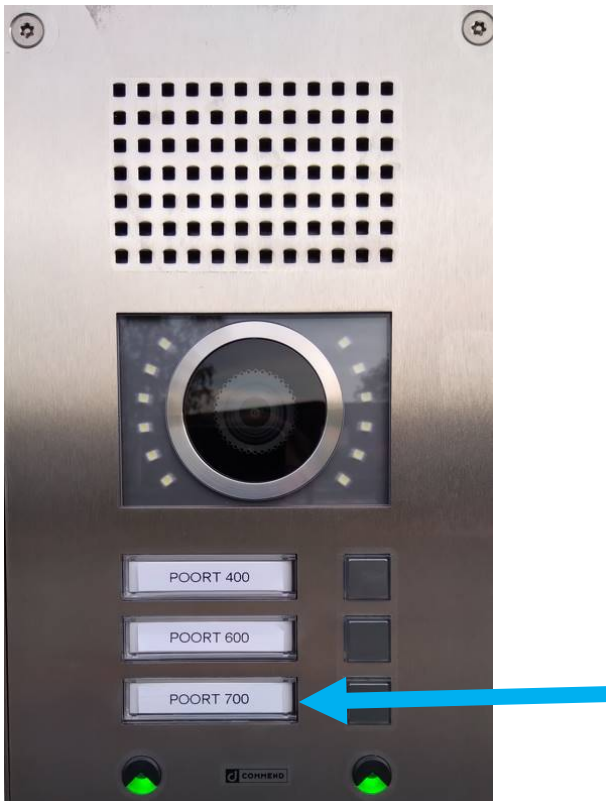

2 Reserving a timeslot for unloading at the gate

There is no need to reserve a timeslot. Unloading is possible on working days between 07h15-11h30 and 12h30-15u30 as announced at the gate.

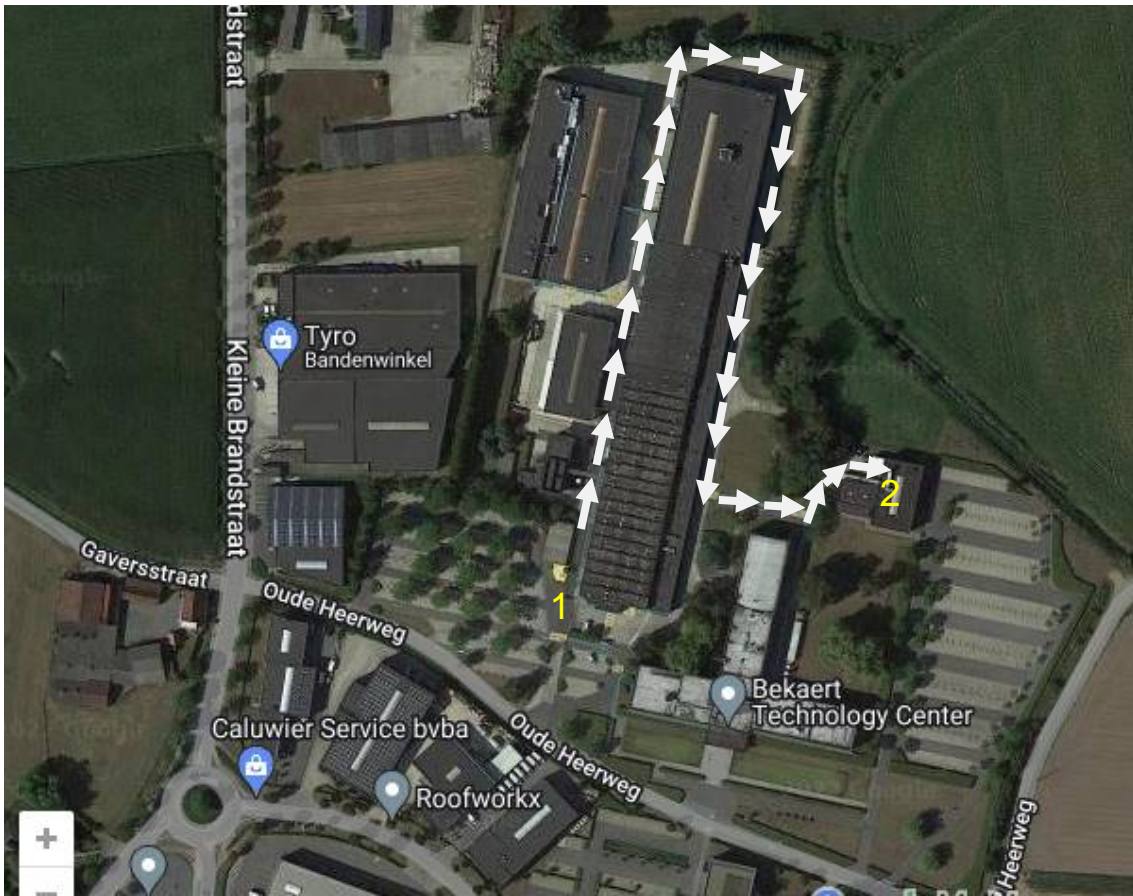

3 How to get to the lab

Drive to the central gate at Oude Heerweg 5 (Mark 1 on the photo on page 4) and push the doorbell “poort 700”.

The gate will open or someone will contact you via the videophone.

If you enter the gate, the Concrete Expertise Centre (gate 700) is on Mark 2 on the photo. Follow the signs guiding you to gate 700.

4 Problems?

In case of any problems with the preparation of the shipment or when arriving on site, please call one of the telephone numbers found in Section 1 of this document.
