

Passport stainless steel wires

Mukand Bekaert Wire Industries Pvt. Ltd.

Mukand Bekaert Wire Industries Pvt. Ltd. is a joint-venture between India's leading producer of alloys and stainless steel long products Mukand Ltd and international steel wire expert Bekaert.

Strategically situated in Lonand in the Maharashtra region, **Mukand Bekaert Wire Industries Pvt. Ltd.** produces a broad range of stainless steel wires for an equally broad range of applications.

Quality stainless steel wires at a competitive price

Thanks to the combined strengths and experience of the parenting companies and the use of state-of-the-art production lines, **Mukand Bekaert Wire Industries Pvt. Ltd.** offers its customers stainless steel wires of the highest quality and performance at a competitive price.

In order to maintain the consistent and uncompromised quality of our wires **Mukand Bekaert Wire Industries Pvt. Ltd.** produces according to the ISO quality management system. In addition it also holds the TÜV certificate for welding wire.

A strategic partnership

The partnership between Mukand Ltd. and Bekaert is a new step forward in their joined strategy to address more effectively the growing demand for stainless steel wires on the Indian and global markets. Thanks to Mukand's expertise in wire rod production and Bekaert's advanced knowledge and skills in coating technology and metal transformation, **Mukand Bekaert Wire Industries Pvt. Ltd.** forms a solid pillar for their further development and leadership position in India and the world.
