4. Interest

The Bonds do not bear interest.

5. Conversion of Bonds

(a) *Conversion Period and Conversion Price*

Subject to and as provided in these Conditions, and subject to the right of the Issuer to make a Cash Alternative Election pursuant to Condition 5(l), each Bond shall entitle the holder to convert such Bond into new and/or existing Ordinary Shares (credited as fully paid).

The number of Ordinary Shares to be issued or transferred and delivered on exercise of a Conversion Right in respect of a Bond shall be determined by the Calculation Agent dividing the principal amount of such Bond to be converted by the conversion price (the "**Conversion Price**") in effect on the relevant Conversion Date.

The initial Conversion Price is €51.25 per Ordinary Share. The Conversion Price is subject to adjustment in the circumstances described in Condition 5(b).

A Bondholder may exercise the Conversion Right in respect of a Bond by delivering such Bond, together with a Conversion Notice, to the Specified Office of the Paying and Conversion Agent in accordance with Condition 5(h).

Subject to and as provided in these Conditions, the Conversion Right in respect of a Bond may be exercised, at the option of the holder thereof, at any time subject to any applicable fiscal or other laws or regulations and as hereinafter provided, from the date falling 41 calendar days after the Closing Date to the close of business (at the place where the relevant Bond is delivered for conversion) on the date falling ten calendar days prior to the Final Maturity Date (both days inclusive) or, if such Bond is to be redeemed pursuant to Condition 6(b) prior to the Final Maturity Date, then up to (and including) the close of business (at the place aforesaid) on the seventh calendar day before the date fixed for redemption thereof pursuant to Condition 6(b) unless there shall be a default in making payment in respect of such Bond on such date fixed for redemption, in which event the Conversion Right shall extend up to (and including) the close of business (at the place aforesaid) on the date on which the full amount of such payment becomes available for payment and notice of such availability has been duly given in accordance with Condition 16 or, if earlier, the Final Maturity Date or, if the Final Maturity Date is not a day which is a TARGET Business Day and a Brussels business day, the immediately preceding day which is a TARGET Business Day and a Brussels business day; provided that, in each case, if such final date for the exercise of Conversion Rights is not a business day at the place aforesaid, then the period for exercise of Conversion Rights by Bondholders shall end on the immediately preceding business day at the place aforesaid.

Conversion Rights may not be exercised (i) following the giving of notice by the Trustee pursuant to Condition 9 or (ii) in respect of a Bond in respect of which the relevant Bondholder has exercised its right to require the Issuer to redeem that Bond pursuant to Condition 6(e).

The period during which Conversion Rights may (subject as provided below) be exercised by a Bondholder is referred to as the "**Conversion Period**".

Conversion Rights may only be exercised in respect of the whole of the principal amount of a Bond.

Fractions of Ordinary Shares will not be issued on conversion or pursuant to Condition 5(c). Rather, a cash payment shall be made by the Issuer in respect of any such fraction determined by the Calculation Agent reference to the Current Market Price per Ordinary Share on the relevant Conversion Date, and the Issuer shall make payment of the relevant amount to the relevant Bondholder not later than five TARGET Business Days following the relevant Conversion Date by transfer to a euro account maintained by the holder with a bank with access to the TARGET System, in accordance with instructions contained in the relevant Conversion Notice. However, if the Conversion Right in respect of more than one Bond is exercised at any one time such that Ordinary Shares are to be issued to the same person, the number of such Ordinary Shares to be issued in respect thereof shall be calculated the Calculation Agent on the basis of the aggregate principal amount of such Bonds being so converted (rounded down, if necessary, to the nearest whole number of Ordinary Shares).

The Issuer will procure that Ordinary Shares to be issued or delivered on exercise of Conversion Rights will be issued or delivered (or made) to the holder of the Bonds completing the relevant Conversion Notice or his nominee. Such Ordinary Shares will be deemed to be issued or delivered as of the relevant Conversion Date, to the extent permitted by law. Any Additional Ordinary Shares to be issued or transferred and delivered pursuant to Condition 5(c) will be deemed to be issued or delivered as of the relevant Reference Date.

The Ordinary Shares to be issued on exercise of Conversion Rights, including any Additional Ordinary Shares to be issued pursuant to Condition 5(c), will be issued and delivered to the relevant Bondholder on or prior to the relevant Delivery Date (as defined, and as more particularly described, in Condition 5(h)).

Such Ordinary Shares or (as the case may be) Additional Ordinary Shares will in all respects rank *pari passu* with the fully paid Ordinary Shares in issue on the date on which the relevant Ordinary Shares or (as the case may be) Additional Ordinary Shares are issued, subject to and as provided in Condition 5(i).

(b) *Adjustment of Conversion Price*

Upon the happening of any of the events described below, the Conversion Price shall be adjusted by the Calculation Agent as follows:

- (i) If and whenever there shall be a consolidation, reclassification or subdivision in relation to the Ordinary Shares, in each such case without increase or decrease of the Issuer's share capital, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such consolidation, reclassification or subdivision by the following fraction:

$$\frac{A}{B}$$

where:

- A is the aggregate number of Ordinary Shares in issue immediately before such consolidation, reclassification or subdivision, as the case may be; and
- B is the aggregate number of Ordinary Shares in issue immediately after, and as a result of, such consolidation, reclassification or subdivision, as the case may be.

Such adjustment shall become effective on the date the consolidation, reclassification or subdivision, as the case may be, takes effect.

- (ii) If and whenever the Issuer shall issue any Ordinary Shares credited as fully paid to the Shareholders by way of capitalisation of profits or reserves (including any share premium account or capital redemption reserve) other than (1) where any such Ordinary Shares are or are to be issued instead of the whole or part of a Dividend in cash which the Shareholders would or could otherwise have elected to receive or (2) where the Shareholders may elect to receive a Dividend in cash in lieu of such Ordinary Shares, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such issue by the following fraction:

$$\frac{A}{B}$$

where:

- A is the aggregate number of Ordinary Shares in issue immediately before such issue; and
- B is the aggregate number of Ordinary Shares in issue immediately after such issue.

Such adjustment shall become effective on the date of issue of such Ordinary Shares.

- (iii) If and whenever the Issuer shall pay or make any Extraordinary Dividend to the Shareholders, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to the Effective Date by the following fraction:

$$\frac{A - B}{A - C}$$

where:

- A is the Current Market Price of one Ordinary Share on the Effective Date;
- B is the portion of the Fair Market Value of the aggregate Extraordinary Dividend attributable to one Ordinary Share, with such portion being determined by dividing the Fair Market Value of the aggregate Extraordinary Dividend by the number of Ordinary Shares entitled to receive the relevant Extraordinary Dividend (or, in the case of a purchase, redemption or buy back of Ordinary Shares or any depositary or other receipts or certificates representing Ordinary Shares by or on behalf of the Issuer or any Subsidiary of the Issuer, by the number of Ordinary Shares in issue immediately following such purchase, redemption or buy back);
- C is the amount (if any) by which the Threshold Amount in respect of the Relevant Fiscal Year exceeds an amount equal to the aggregate of the Fair Market Values of any previous Dividends per Ordinary Share paid or made in such Relevant Fiscal Year (where "C" shall be zero if such previous Dividends per Ordinary Share are equal to, or exceed, the Threshold Amount in respect of such Relevant Fiscal Year). For the avoidance of doubt "C" shall equal the Threshold Amount in respect of the Relevant Fiscal Year where no previous Dividends per Ordinary Share have been paid or made in such Relevant Fiscal Year.

Such adjustment shall become effective on the Effective Date or, if later, the first date upon which the Fair Market Value of the relevant Extraordinary Dividend is capable of being determined as provided herein.

"Effective Date" means, in respect of this sub-paragraph (b)(iii), the first date on which the Ordinary Shares are traded ex-the relevant Extraordinary Dividend on the Relevant Stock Exchange or, in the case of a purchase, redemption or buy back of Ordinary Shares or any depositary or other receipts or certificates representing Ordinary Shares, the date on which such purchase, redemption or buy back is made or, in the case of a Spin-Off, on the first date on which the Ordinary Shares are traded ex-the relevant Spin-Off on the Relevant Stock Exchange.

"Extraordinary Dividend" means any Dividend (the **"Relevant Dividend"**) paid or made during a fiscal year of the Issuer (the **"Relevant Fiscal Year"**), if (a) the Fair Market Value of the Relevant Dividend per Ordinary Share or (b) the sum of (i) the Fair Market Value of the Relevant Dividend per Ordinary Share and (ii) an amount equal to the aggregate of the Fair Market Value or Values of any other Dividend or Dividends per Ordinary Share paid or made during the Relevant Fiscal Year, if any, exceeds the Threshold Amount in respect of such Relevant Fiscal Year, and in that case the Extraordinary Dividend shall be the Relevant Dividend.

"Threshold Amount" means in respect of any Relevant Fiscal Year, € 0.90 per Ordinary Share (adjusted pro rata for any adjustments to the Conversion Price made pursuant to the provisions of this sub-paragraph (b)(iii)).

For the purposes of the above, Fair Market Value shall (subject as provided in paragraph (a) of the definition of "Dividend" and in the definition of "Fair Market Value") be determined as at the Effective Date.

In making any calculations for the purposes of this paragraph (b)(iii), such adjustments (if any) shall be made as the Calculation Agent or an Independent Financial Adviser may determine in good faith to be appropriate to reflect (i) any consolidation or subdivision of any Ordinary Shares or the issue of Ordinary Shares by way of capitalisation of profits or reserves (or any like or similar event) or any increase in the number of Ordinary Shares in issue in relation to the Relevant Fiscal Year in question or (ii) any change in the fiscal year of the Issuer.

- (iv) If and whenever the Issuer shall issue Ordinary Shares to Shareholders as a class by way of rights, or shall issue or grant to Shareholders as a class by way of rights, any options, warrants or other rights to subscribe for or purchase new Ordinary Shares, or any Securities which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, any new Ordinary Shares issuable by the Issuer (or shall grant any such rights in respect of existing Securities so issued), in each case at a price per Ordinary Share which is less than 95 per cent. of the Current Market Price per Ordinary Share on the Effective Date, the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such issue or grant by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Ordinary Shares in issue on the Effective Date;
- B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares issued by way of rights, or for the Securities issued by way of rights, or for the options or warrants or other rights issued by way of rights and for the total number of Ordinary Shares deliverable on the

exercise or conversion thereof, as the case may be, would purchase at such Current Market Price per Ordinary Share on the Effective Date; and

- C is the number of Ordinary Shares to be issued or, as the case may be, the maximum number of Ordinary Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights or upon conversion or exchange or exercise of rights of subscription or purchase in respect of such Securities at the initial conversion, exchange, subscription or purchase price or rate (not taking into account any later adjustment thereof).

Such adjustment shall become effective on the Effective Date.

"Effective Date" means, in respect of this sub-paragraph (b)(iv), the first date on which the Ordinary Shares are traded ex-rights, ex-options or ex-warrants on the Relevant Stock Exchange.

It is expressly understood that any subsequent exercise of such options, warrants or rights into new Ordinary Shares, or the conversion into, exchange into or subscription for new Ordinary Shares shall not trigger an additional adjustment of the Conversion Price or other terms of the Bonds.

- (v) If and whenever the Issuer shall issue any Securities (other than Ordinary Shares or options, warrants or other rights to subscribe for or purchase any Ordinary Shares) to Shareholders as a class by way of rights or grant to Shareholders as a class by way of rights any options, warrants or other rights to subscribe for or purchase any Securities (other than Ordinary Shares or options, warrants or other rights to subscribe for or purchase Ordinary Shares), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such issue or grant by the following fraction:

$$\frac{A - B}{A}$$

where:

- A is the Current Market Price of one Ordinary Share on the first day on which the terms of such issue or grant are publicly announced (or, if that is not a dealing day, the immediately preceding dealing day); and
- B is the Fair Market Value on the date of such announcement (or, if that is not a dealing day, the immediately preceding dealing day) of the portion of the rights attributable to one Ordinary Share.

Such adjustment shall become effective on the first date on which the Ordinary Shares are traded ex-rights, ex-options or ex-warrants on the Relevant Stock Exchange.

- (vi) If and whenever the Issuer shall issue (otherwise than as mentioned in sub-paragraph (b)(iv) above) wholly for cash or for no consideration any Ordinary Shares (other than Ordinary Shares issued on conversion of the Bonds or on the exercise of any rights of conversion into, or exchange or subscription for or purchase of, Ordinary Shares) or issue or grant (otherwise than as mentioned in sub-paragraph (b)(iv) above) wholly for cash or for no consideration any options, warrants or other rights to subscribe for or purchase any new Ordinary Shares (other than the Bonds, which term shall for this purpose include any Further Bonds), in each case at a price per Ordinary Share which is less than 95 per cent.

of the Current Market Price per Ordinary Share on the date of the first public announcement of the terms of such issue or grant (or, if that day is not a dealing day, the immediately preceding dealing day), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such issue or grant by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Ordinary Shares in issue immediately before the issue of such Ordinary Shares or the grant of such options, warrants or rights;
- B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the issue of such Ordinary Shares or, as the case may be, for the Ordinary Shares to be issued or otherwise made available upon the exercise of any such options, warrants or rights, would purchase at such Current Market Price per Ordinary Share on the date of the first public announcement of the terms of such issue or grant (or, if that day is not a dealing day, the immediately preceding dealing day); and
- C is the number of Ordinary Shares to be issued pursuant to such issue of such Ordinary Shares or, as the case may be, the maximum number of Ordinary Shares which may be issued upon exercise of such options, warrants or rights calculated as at the date of issue of such options, warrants or rights.

Such adjustment shall become effective on the date of issue of such Ordinary Shares or, as the case may be, the issue or grant of such options, warrants or rights.

It is expressly understood that any subsequent exercise, conversion or exchange of such options, warrants or rights into Ordinary Shares shall not trigger an additional adjustment of the Conversion Price or other terms of the Bonds.

- (vii) If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity (otherwise than as mentioned in sub-paragraphs (b)(iv), (b)(v) or (b)(vi) above) shall issue wholly for cash or for no consideration any Securities (other than the Bonds which term shall for this purpose exclude any Further Bonds) which by their terms of issue carry (directly or indirectly) rights of conversion into, or exchange or subscription for, new Ordinary Shares (or shall grant any such rights in respect of existing Securities so issued) or Securities which by their terms might be redesignated as Ordinary Shares, and the consideration per Ordinary Share receivable upon conversion, exchange, subscription or redesignation is less than 95 per cent. of the Current Market Price per Ordinary Share on the date of the first public announcement of the terms of issue of such Securities (or the terms of such grant) (or, if that is not a dealing day, the immediately preceding dealing day), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such issue or grant by the following fraction:

$$\frac{A + B}{A + C}$$

where:

- A is the number of Ordinary Shares in issue immediately before such issue or grant (but where the relevant Securities carry rights of conversion into or rights of exchange or subscription for Ordinary Shares which have been issued, purchased or acquired by the Issuer or any Subsidiary of the Issuer (or at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) for the purposes of or in connection with such issue, less the number of such Ordinary Shares so issued, purchased or acquired);
- B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription attached to such Securities or, as the case may be, for the Ordinary Shares to be issued or to arise from any such redesignation would purchase at such Current Market Price per Ordinary Share on the date of the first public announcement of the terms of such issue of such Securities (or the terms of such grant) (or, if that day is not a dealing day, the immediately preceding dealing day); and
- C is the maximum number of Ordinary Shares to be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such right of subscription attached thereto at the initial conversion, exchange or subscription price or rate or, as the case may be, the maximum number of Ordinary Shares which may be issued or arise from any such redesignation;

provided that if at the time of issue of the relevant Securities or date of grant of such rights (as used in this sub-paragraph (b)(vii), the "**Specified Date**") such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription are exercised or, as the case may be, such Securities are redesignated or at such other time as may be provided), then for the purposes of this sub-paragraph (b)(vii), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition or, as the case may be, redesignation had taken place on the Specified Date.

Such adjustment shall become effective on the date of issue of such Securities or, as the case may be, the grant of such rights.

It is expressly understood that any subsequent exercise, conversion or exchange of such Securities into Ordinary Shares, or redesignation of such Securities into Ordinary Shares, shall not trigger an additional adjustment of the Conversion Price or other terms of the Bonds.

- (viii) If and whenever there shall be any modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to any such Securities (other than the Bonds, which term shall for this purpose include any Further Bonds) as are mentioned in sub-paragraph (b)(vii) above (other than in accordance with the terms (including terms as to adjustment) applicable to such Securities upon issue) so that following such modification the consideration per Ordinary Share receivable has been reduced and is less than 95 per cent. of the Current Market Price per Ordinary Share on the date of the first public announcement of the proposals for such modification (or, if that day is not a dealing day, the immediately preceding dealing day), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately prior to such modification by the following fraction:

$$\frac{A+B}{A+C}$$

where:

- A is the number of Ordinary Shares in issue immediately before such modification (but where the relevant Securities carry rights of conversion into or rights of exchange or subscription for, or purchase or acquisition of, Ordinary Shares which have been issued, purchased or acquired by the Issuer or any Subsidiary of the Issuer (or at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) for the purposes of or in connection with such issue, less the number of such Ordinary Shares so issued, purchased or acquired);
- B is the number of Ordinary Shares which the aggregate consideration (if any) receivable for the Ordinary Shares to be issued or otherwise made available upon conversion or exchange or upon exercise of the right of subscription, purchase or acquisition attached to the Securities so modified would purchase at such Current Market Price per Ordinary Share or on the date of the first public announcement of the proposals for such modification (or, if that day is not a dealing day, the immediately preceding dealing day), if lower, the existing conversion, exchange, subscription, purchase or acquisition price or rate of such Securities; and
- C is the maximum number of Ordinary Shares which may be issued or otherwise made available upon conversion or exchange of such Securities or upon the exercise of such rights of subscription, purchase or acquisition attached thereto at the so modified conversion, exchange, subscription, purchase or acquisition price or rate but giving credit in such manner as the Calculation Agent or an Independent Financial Adviser shall consider appropriate for any previous adjustment under this sub-paragraph (b)(viii) or subparagraph (b)(vii) above;

provided that if at the time of such modification (as used in this sub-paragraph (b)(viii), the "**Specified Date**") such number of Ordinary Shares is to be determined by reference to the application of a formula or other variable feature or the occurrence of any event at some subsequent time (which may be when such Securities are converted or exchanged or rights of subscription, purchase or acquisition are exercised or at such other time as may be provided), then for the purposes of this sub-paragraph (b)(viii), "C" shall be determined by the application of such formula or variable feature or as if the relevant event occurs or had occurred as at the Specified Date and as if such conversion, exchange, subscription, purchase or acquisition had taken place on the Specified Date.

Such adjustment shall become effective on the date of modification of the rights of conversion, exchange, subscription, purchase or acquisition attaching to such Securities.

It is expressly understood that any subsequent exercise, conversion or exchange of such Securities into Ordinary Shares, or redesignation of such Securities into Ordinary Shares, shall not trigger an additional adjustment of the Conversion Price or other terms of the Bonds.

- (ix) If and whenever the Issuer or any Subsidiary of the Issuer or (at the direction or request of or pursuant to any arrangements with the Issuer or any Subsidiary of the Issuer) any other company, person or entity shall offer any Securities in connection with which Shareholders as a class are entitled to participate in arrangements whereby such Securities may be acquired by them (except where the Conversion Price falls to be

adjusted under sub-paragraphs (b)(ii), (b)(iii), (b)(iv), (b)(vi) or (b)(vii) above or (b)(x) below (or would fall to be so adjusted if the relevant issue or grant was at less than 95 per cent. of the Current Market Price per Ordinary Share on the relevant dealing day) or under sub-paragraph (b)(v) above), the Conversion Price shall be adjusted by multiplying the Conversion Price in force immediately before the making of such offer by the following fraction:

$$\frac{A - B}{A}$$

where:

- A is the Current Market Price of one Ordinary Share on the date on which the terms of such offer are first publicly announced (or, if that is not a dealing day, the immediately preceding dealing day); and
- B is the Fair Market Value on the date of such announcement (or, if that is not a dealing day, the immediately preceding dealing day) of the portion of the relevant offer attributable to one Ordinary Share.

Such adjustment shall become effective on the first date on which the Ordinary Shares are traded ex-rights on the Relevant Stock Exchange.

- (x) If a Change of Control shall occur at any time after the Change of Control Resolutions have been approved by the Shareholders in a general meeting of Shareholders, then upon any exercise of Conversion Rights during the Change of Control Period, the Conversion Price applicable in respect of such exercise of Conversion Rights (the "**Change of Control Conversion Price**") shall be determined as follows:

$$\text{CoCCP} = \frac{\text{CP}}{(1 + (\text{IP} \times c/t))}$$

where:

- CoCCP is the Conversion Price in effect during the Change of Control Period;
- CP is the Conversion Price in effect immediately prior to the Change of Control Period;
- IP is the issuance premium of each Bond over the reference price of the Ordinary Share used to determine the terms of the Bonds (i.e., 35 per cent.), expressed as a fraction;
- c is the number of calendar days from and including the date the Change of Control occurs to but excluding the Final Maturity Date; and
- t is the number of calendar days from and including the Closing Date to but excluding the Final Maturity date (i.e., 1826 calendar days).

- (xi) If the Issuer determines that an adjustment should be made to the Conversion Price as a result of one or more circumstances not referred to above in this Condition 5(b) (even if the relevant circumstance is specifically excluded from the operation of subparagraphs 5(b)(i) to 5(b)(x)), the Issuer shall, in consultation with the Calculation Agent and at its own expense and acting reasonably, request an Independent Financial Adviser to

determine as soon as practicable what adjustment (if any) to the Conversion Price is fair and reasonable to take account thereof and the date on which such adjustment (if any) should take effect and upon such determination such adjustment (if any) shall be made and shall take effect in accordance with such determination, provided that an adjustment shall only be made pursuant to this subparagraph 5(b)(xi) if such Independent Financial Adviser is so requested to make such a determination not more than 21 days after the date on which the relevant circumstance arises and if the adjustment would result in a reduction of the Conversion Price.

Notwithstanding the foregoing provisions:

- (a) where the events or circumstances giving rise to any adjustment pursuant to this Condition 5(b) have already resulted or will result in an adjustment to the Conversion Price or where the events or circumstances giving rise to any adjustment arise by virtue of any other events or circumstances which have already given or will give rise to an adjustment to the Conversion Price or where more than one event which gives rise to an adjustment to the Conversion Price occurs within such a short period of time that, in the reasonable opinion of the Issuer in consultation with the Calculation Agent, a modification to the operation of the adjustment provisions is required to give the intended result, such modification shall be made, in consultation with the Calculation Agent, to the operation of the adjustment provisions as may be advised by an Independent Financial Adviser to be in its opinion appropriate to give the intended result; and
- (b) such modification shall be made, in consultation with the Calculation Agent, to the operation of these Conditions as may be advised by an Independent Financial Adviser to be in its opinion appropriate (i) to ensure that an adjustment to the Conversion Price or the economic effect thereof shall not be taken into account more than once and (ii) to ensure that the economic effect of a Dividend is not taken into account more than once.

For the purpose of any calculation of the consideration receivable or price pursuant to subparagraphs (b)(iv), (b)(vi), (b)(vii) and (b)(viii), the following provisions shall apply:

- (a) the aggregate consideration receivable or price for Ordinary Shares issued for cash shall be the amount of such cash;
- (b) (x) the aggregate consideration receivable or price for Ordinary Shares to be issued or otherwise made available upon the conversion or exchange of any Securities shall be deemed to be the consideration or price received or receivable for any such Securities (on one or more occasions) and (y) the aggregate consideration receivable or price for Ordinary Shares to be issued or otherwise made available upon the exercise of rights of subscription attached to any Securities or upon the exercise of any options, warrants or rights shall be deemed to be that part (which may be the whole) of the consideration or price received or receivable for such Securities or, as the case may be, for such options, warrants or rights which are attributed by the Issuer to such rights of subscription or, as the case may be, such options, warrants or rights or, if no part of such consideration or price is so attributed, the Fair Market Value of such rights of subscription or, as the case may be, such options, warrants or rights as at the date of the first public announcement of the terms of issue of such Securities or, as the case may be, such options, warrants or rights, plus in the case of each of (x) and (y) above, the additional consideration receivable or price (if any) upon the conversion or exchange of such Securities, or upon the exercise of such rights or subscription attached thereto or, as the case may be, upon exercise of such options, warrants or rights and (z) the consideration receivable or price per Ordinary Share upon the conversion or exchange of, or upon the exercise of such rights of subscription attached to, such Securities or, as the case may be, upon the exercise of such options, warrants or rights shall be the aggregate consideration or price referred to in (x) or (y) above (as the case may be) divided by the number of Ordinary

Shares to be issued upon such conversion or exchange or exercise at the initial conversion, exchange or subscription price or rate;

- (e) the consideration or price shall be determined as provided above on the basis of the consideration or price received, receivable, paid or payable regardless of whether all or part thereof is received, receivable, paid or payable by or to the Issuer or another entity.

(c) *Retroactive Adjustments*

If the Conversion Date in relation to the conversion of any Bond shall be after the record date in respect of any consolidation, reclassification or sub-division as is mentioned in Condition 5(b)(i), or after the record date or other due date for the establishment of entitlement for any such issue, distribution, grant or offer (as the case may be) as is mentioned in Condition 5(b)(ii), (iii), (iv), (v) or (ix), or after the date of the first public announcement of the terms of any such issue or grant as is mentioned in Condition 5(b)(vi) and (vii) or of the terms of any such modification as is mentioned in Condition 5(b)(viii), but before the relevant adjustment to the Conversion Price becomes effective under Condition 5(b) (such adjustment, a "**Retroactive Adjustment**"), then the Issuer shall (conditional upon the relevant adjustment becoming effective) procure that there shall be issued or transferred and delivered to the converting Bondholder, in accordance with the instructions contained in the Conversion Notice, such additional number of Ordinary Shares (if any) (the "**Additional Ordinary Shares**") as, together with the Ordinary Shares (if any) issued or to be transferred and delivered on conversion of the relevant Bonds, is equal to the number of Ordinary Shares which would have been required to be issued or delivered on conversion of such Bond if the relevant adjustment to the Conversion Price had been made and become effective immediately prior to the relevant Conversion Date..

(d) *Decision of the Calculation Agent or an Independent Financial Adviser*

Adjustments to the Conversion Price shall be determined and calculated by the Calculation Agent, and/or, to the extent so specified in the Conditions in good faith by an Independent Financial Adviser. Adjustments to the Conversion Price calculated by the Calculation Agent or, where applicable, an Independent Financial Adviser and any other determinations made by the Calculation Agent or, where applicable, an Independent Financial Adviser pursuant to the Conditions shall be final and binding (in the absence of manifest error) on the Issuer, the Trustee, the Bondholders and the Paying and Conversion Agent.

The Calculation Agent may consult, at the expense of the Issuer, on any matter (including but not limited to, any legal matter), any legal or other professional adviser and it shall be able to rely upon, and it shall not be liable and shall incur no liability as against the Bondholders in respect of anything done, or omitted to be done, relating to that matter in good faith in accordance with, that adviser's opinion. The Calculation Agent shall act solely as agent of and upon request from the Issuer, and the Calculation Agent, or, as the case may be, any Independent Financial Adviser appointed by the Issuer in accordance with these Conditions, will not thereby assume any

obligations towards or relationship of agency or trust with, and they shall not be liable and shall incur no liability as against, the Trustee or the Bondholders.

The Issuer reserves the right, subject to the prior written approval of the Trustee, under the Calculation Agency Agreement at any time to vary or terminate the appointment of the Calculation Agent and appoint another Calculation Agent, provided that it will maintain a Calculation Agent which shall be a financial institution of international repute or a financial adviser with appropriate expertise.

If any doubt shall arise as to whether an adjustment falls to be made to the Conversion Price or as to the appropriate adjustment to the Conversion Price, and following consultation between the Issuer and an Independent Financial Adviser, a written opinion of such Independent Financial Adviser in respect thereof shall be conclusive and binding on the Issuer, the Bondholders and the Trustee, save in the case of manifest error.

(e) *Share or Option Schemes*

No adjustment will be made to the Conversion Price where Ordinary Shares or other Securities (including rights, warrants and options) are issued, offered, exercised, allotted, appropriated, modified or granted to, or for the benefit of, employees, former employees, independent service providers providing services on a more than halftime basis, or former independent service providers providing services on a more than halftime basis (including directors holding or formerly holding executive office or the personal service company of any such person) or their spouses or relatives, in each case, of the Issuer or any of its Subsidiaries or any associated company or to a trustee or trustees to be held for the benefit of any such person, in any such case pursuant to any share or option scheme.

(f) *Rounding Down and Notice of Adjustment to the Conversion Price*

On any adjustment, the resultant Conversion Price, if not an integral multiple of €0.01, shall be rounded down to the nearest whole multiple of €0.01. No adjustment shall be made to the Conversion Price where such adjustment (rounded down if applicable) would be less than one per cent. of the Conversion Price then in effect. Any adjustment not required to be made and/or any amount by which the Conversion Price has been rounded down, shall be carried forward and taken into account in any subsequent adjustment, and such subsequent adjustment shall be made on the basis that the adjustment not required to be made had been made at the relevant time and/or, as the case may be, that the relevant rounding down had not been made.

Notice of any adjustments to the Conversion Price shall be given by the Issuer to Bondholders in accordance with Condition 16 and to the Trustee promptly after the determination thereof.

The Conversion Price shall not in any event be reduced to below the minimum level permitted by Belgian law (if any), and the Issuer undertakes that it shall not take any action, and shall procure that no action is taken, that would otherwise result in an adjustment to the Conversion Price to below such minimum level.

(g) *Change of Control*

Within 14 calendar days following the occurrence of a Change of Control, the Issuer shall give notice thereof to the Bondholders in accordance with Condition 16 and to the Trustee (a "**Change of Control Notice**"). The Change of Control Notice shall contain a statement informing Bondholders of their entitlement to exercise their Conversion Rights as provided in these Conditions and their entitlement to exercise their rights to require redemption of their Bonds pursuant to (and subject to the conditions set out in) Condition 6(e).

The Change of Control Notice shall also specify:

- (i) to the fullest extent permitted by applicable law, all information material to Bondholders concerning the Change of Control;

The Trustee shall not be required to monitor or take any steps to ascertain whether a Change of Control or any event which could lead to a Change of Control has occurred or may occur (and, unless notified in writing to the contrary, shall be entitled to assume that no Change of Control or any event which could lead to a Change of Control has occurred) and will not be responsible or liable to Bondholders or any other person for any loss arising from any failure by it to do so.

(h) *Procedure for exercise of Conversion Rights*

Conversion Rights may be exercised by a Bondholder during the Conversion Period by delivering the relevant Bond to the Specified Office of the Paying and Conversion Agent, during its usual business hours, accompanied by a duly completed and signed notice of conversion (a "**Conversion Notice**") in the form (for the time being current) obtainable from the Paying and Conversion Agent. Conversion Rights shall be exercised subject in each case to any applicable fiscal or other laws or regulations applicable in the jurisdiction in which the Specified Office of the Paying and Conversion Agent is located.

If such delivery is made after the end of normal business hours or on a day which is not a business day in the place of the Specified Office of the Paying and Conversion Agent, such delivery shall be deemed for all purposes of these Conditions to have been made on the next following such business day.

Any determination as to whether a Conversion Notice has been duly completed and properly delivered shall be made by the Paying and Conversion Agent and shall, save in the case of manifest error, be conclusive and binding on the Issuer, the Trustee, the Paying and Conversion Agent and the relevant Bondholder.

A Conversion Notice, once delivered, shall be irrevocable.

The conversion date in respect of a Bond (the "**Conversion Date**") shall be the business day in Brussels immediately following the date of the delivery of the relevant Bond and the Conversion Notice as provided in this Condition 5(h) and, if applicable, the making of any payment to be made as provided below.

Each Bond should be delivered upon exercise of Conversion Rights.

A Bondholder exercising Conversion Rights must pay directly to the relevant authorities any taxes and capital, stamp, issue and registration and transfer taxes and duties arising on conversion (other than any taxes or capital, stamp, issue and registration and transfer taxes and duties payable in Belgium in respect of the allotment and issue of any Ordinary Shares on such conversion or in respect of the transfer and delivery of any Ordinary Shares on such conversion (including any Additional Ordinary Shares), which shall be paid by the Issuer).

Such Bondholder must also pay all (if any) taxes imposed on it and arising by reference to any disposal or deemed disposal of a Bond or interest therein in connection with the exercise of Conversion Rights by it. The Trustee shall not be responsible for determining whether such taxes or capital, stamp, issue and registration and transfer taxes and duties are payable or the amount thereof and it shall not be responsible or liable for any failure by the Issuer to pay such taxes or capital, stamp, issue and registration and transfer taxes and duties payable in Belgium as referred to above.

Following delivery of a duly completed Conversion Notice, the Issuer shall on or prior to the Delivery Date:

- (i) cause the issue and use all reasonable endeavours to ensure the admission to trading on the Relevant Stock Exchange of the Ordinary Shares to be issued and delivered in satisfaction of the Conversion Right; and
- (ii) procure that all such Ordinary Shares to be delivered in satisfaction of the relevant Conversion Right be credited to such account of the relevant Bondholder(s) held at any of Euroclear Belgium, Euroclear or Clearstream, as is specified in the relevant Conversion Notice.

For the purposes of the previous paragraph, "**Delivery Date**" means:

- (i) if the Conversion Date or, as the case may be, the Reference Date occurs on or prior to the fifteenth calendar day in any month during the Conversion Period, the last calendar day in such month; or
- (ii) if the Conversion Date or, as the case may be, the Reference Date occurs after the fifteenth calendar day in any month during the Conversion Period, the last calendar day in the next following month.

(i) *Ordinary Shares*

- (i) Ordinary Shares issued or transferred and delivered on exercise of Conversion Rights will be fully paid and will in all respects rank *pari passu* with the fully paid Ordinary Shares in issue on the Conversion Date or, in the case of Additional Ordinary Shares, on the relevant Reference Date, except in any such case for any right excluded by mandatory provisions of applicable law, and the relevant holders shall accordingly be entitled to all rights, distributions and payments in respect of which the relevant record date or other due date for the establishment of entitlement for which falls on or after such date of issue or transfer and delivery, whether in accordance with Condition 5(c) in the event that such relevant record date or other due date precedes the Delivery Date or otherwise. Ordinary Shares or, as the case may be, Additional Ordinary Shares will not rank for (or, as the case may be, the relevant holder shall not be entitled to receive) any rights, distributions or payments the record date or other due date for the establishment of entitlement for which falls prior to the relevant Conversion Date or, as the case may be, the relevant Reference Date.

(j) *Purchase or Redemption of Ordinary Shares*

The Issuer or any Subsidiary of the Issuer may exercise such rights as it may from time to time enjoy to purchase or redeem or buy back any shares of the Issuer (including Ordinary Shares) or any depositary or other receipts or certificates representing the same without the consent of the Bondholders.

(k) *No Duty to Monitor*

The Trustee shall not be under any duty to monitor whether any event or circumstance has happened or exists which may require an adjustment to be made to the Conversion Price or as to the amount of any adjustment actually made (and, unless notified in writing to the contrary, shall be entitled to assume that no such event or circumstance has happened) and will not be responsible or liable to the Bondholders or any other person for any loss arising from any failure by it to do so.

(l) *Cash Alternative Election*

Upon the exercise of a Conversion Right by a Bondholder, the Issuer may make an election by giving notice (a "**Cash Alternative Election Notice**" to the relevant Bondholder by not later than the fourth calendar day following the relevant Conversion Date (the "**Cash Election Date**") to the address (or, if a fax number or email address is provided in the relevant Conversion Notice, that fax number or email address) specified for that purpose in the relevant Conversion Notice (with a copy to the Paying and Conversion Agent) to satisfy the exercise of the Conversion Rights in respect of the relevant Bonds by (A) delivering to or to the order of the relevant Bondholder the Fixed Number of Ordinary Shares and (B) making payment, or procuring that payment is made, to the relevant Bondholder of the Cash Alternative Amount, together with any other amount payable by the Issuer to such Bondholder pursuant to these Conditions in respect of or relating to the relevant exercise of Conversion Rights, including any amounts payable pursuant to paragraph 9 of Condition 5(a). The Issuer, however, may not make a Cash Alternative Election at any time when such election would prevent the relevant Bondholder from converting its Bonds into Ordinary Shares in order to participate in any rights issue or other issuance to which it is entitled to participate pursuant to Article 491 of the Belgian Company Code.

The Cash Alternative Election Notice shall specify:

- (i) the Conversion Price in effect on the relevant Conversion Date and the number of Reference Shares in respect of such exercise of Conversion Rights;
- (ii) the number of Cash Settled Shares in respect of the relevant exercise of Conversion Rights, by reference to which the Cash Alternative Amount is to be calculated; and
- (iii) if the number of Cash Settled Shares is less than the number of Reference Shares in respect of the relevant exercise of Conversion Rights, the Fixed Number of Ordinary Shares.

A Cash Alternative Election shall be irrevocable.

The Issuer will pay the Cash Alternative Amount, together with any other amount as aforesaid, by not later than 5 TARGET Business Days following the last day of the Cash Alternative Calculation Period by transfer to a euro account maintained by the relevant Bondholder with a bank with access to the TARGET System in accordance with instructions given by the relevant Bondholder in the relevant Conversion Notice, and will deliver the Fixed Number of Ordinary Shares on or prior to the Delivery Date in accordance with Conditions 5(h) and (i).

If there is a Retroactive Adjustment to the Conversion Price following the exercise of Conversion Rights by a Bondholder which has given rise to a Cash Alternative Election, the Issuer shall (i) procure that there shall be issued or transferred and delivered to the relevant Bondholder the Additional Ordinary Shares with respect to the Fixed Number of Ordinary Shares, if any, pursuant to Condition 5(c), and (ii) pay to the relevant Bondholder an additional amount (the "**Additional Cash Alternative Amount**") equal to the difference between (A) the Cash Alternative Amount that would have been paid if the number of Cash Settled Shares by reference to which the Cash Alternative Amount shall have been determined would have been increased if the relevant adjustment to the Conversion Price had been made and became effective immediately prior to the relevant Conversion Date, and (B) the Cash Alternative Amount which shall have been determined for the Cash Settled Shares specified in the Cash Alternative Election Notice.

The Issuer will pay the Additional Cash Alternative Amount not later than the later of (i) 5 TARGET Business Days following payment of the Cash Alternative Amount, and (ii) 5 TARGET Business Days following the relevant Reference Date, by transfer to a euro account maintained by the relevant Bondholder with a bank with access to the TARGET System in accordance with instructions given by the relevant Bondholder in the relevant Conversion Notice.

(m) *Consolidation, Amalgamation or Merger*

In the case of any consolidation, amalgamation or merger of the Issuer with any other corporation (other than a consolidation, amalgamation or merger in which the Issuer is the continuing corporation), or in the case of any sale or transfer of all, or substantially all, of the assets of the Issuer, the Issuer will forthwith give notice thereof to the Trustee and to the Bondholders in accordance with Condition 16 of such event and take such steps as shall be required to ensure that each Bond then outstanding will be convertible into the class and amount of shares and other securities and property receivable upon such consolidation, amalgamation, merger, sale or transfer by a holder of the number of Ordinary Shares which would have become liable to be issued or transferred and delivered upon exercise of Conversion Rights immediately prior to such consolidation, amalgamation, merger, sale or transfer. The above provisions of this Condition 5(m) will apply, *mutatis mutandis* to any subsequent consolidations, amalgamations, mergers, sales of transfers.

6. **Redemption and Purchase**

(a) *Final Redemption*

Unless previously purchased and cancelled, redeemed or converted as herein provided, the Bonds will be redeemed at their principal amount on the Final Maturity Date. The Bonds may only be redeemed prior to the Final Maturity Date in accordance with Condition 6(b), Condition 6(d) or Condition 6(e).

(b) *Redemption at the Option of the Issuer*

(i) On giving not less than 45 nor more than 60 calendar days' notice (an "**Optional Redemption Notice**") to the Trustee, the Paying and Conversion Agent and to the Bondholders in accordance with Condition 16, the Issuer may redeem all but not some only of the Bonds on the date (the "**Optional Redemption Date**") specified in the Optional Redemption Notice at their principal amount:

- (a) at any time on or after 30 June 2019, if on each of not less than 20 dealing days during any period of 30 consecutive dealing days ending not earlier than the fifth dealing day prior to the giving of the relevant Optional Redemption Notice, the Volume Weighted Average Price of an Ordinary Share exceeds 130 per cent. of

the Conversion Price in effect (or deemed to be in effect) on each such respective dealing day, as verified by the Calculation Agent upon request from the Issuer; or

- (b) at any time if prior to the date the relevant Optional Redemption Notice is given, Conversion Rights shall have been exercised and/or purchases (and corresponding cancellations) and/or redemptions effected in respect of 85 per cent. or more in principal amount of the Bonds originally issued (which shall for this purpose include any Further Bonds).

For the purposes of Condition 6(b)(i), if on any dealing day in such 30 dealing day period the Volume Weighted Average Price on such dealing day shall have been quoted cum-Dividend (or cum-any other entitlement), the Volume Weighted Average Price of an Ordinary Share on such dealing day shall be deemed to be the amount thereof reduced by an amount equal to the Fair Market Value of any such Dividend or entitlement per Ordinary Share as at the date (or, if that is not a dealing day, the immediately preceding dealing day) of first public announcement of such Dividend (or entitlement).

(c) *Optional Redemption Notice*

Any Optional Redemption Notice shall be irrevocable. Any such notice shall specify (i) the Optional Redemption Date which shall be a day which is a TARGET Business Day and a Brussels business day, (ii) the aggregate principal amount of the Bonds outstanding and the closing price of the Ordinary Shares as derived from the Relevant Stock Exchange, in each case as at the latest practicable date prior to the publication of the Optional Redemption Notice and (iii) the last day on which Conversion Rights may be exercised by Bondholders, which shall not be less than one month after the date of the Optional Redemption Notice.

(d) *Early Redemption*

If the Change of Control Resolutions have not been approved and duly filed with the Clerk of the Commercial Court of Ghent, division Kortrijk on or before the Long-stop Date, the Issuer shall redeem all, but not some, of the Bonds, on the date which is the 45th calendar day after the Long-stop Date (the "**Early Redemption Date**") at the greater of (x) 102 per cent. of the principal amount of the Bonds, and (y) 102 per cent. of the Fair Bond Value of the Bonds. The Issuer will deliver a notice (an "**Early Redemption Notice**") in accordance with Condition 16 to notify the Bondholders of the redemption of the Bonds. The Early Redemption Notice will be published no later than the third dealing day (inclusive) after the Long-stop Date.

The "**Early Redemption Calculation Period**" means the period of five consecutive dealing days commencing on the dealing day following the Long-stop Date.

The Trustee shall not be required to monitor or take any steps to ascertain whether the Change of Control Resolutions have been approved and duly filed with the Clerk of the Commercial Court of Ghent, division Kortrijk (and, unless notified in writing to the contrary, shall be entitled to assume that the Change of Control Resolutions will be approved and duly filed with the Clerk of the Commercial Court of Ghent, division Kortrijk) and will not be responsible or liable to Bondholders or any other person for any loss arising from any failure by it to do so.

(e) *Redemption at the Option of Bondholders upon a Change of Control*

Following the occurrence of a Change of Control, the holder of each Bond will have the right to require the Issuer to redeem that Bond on the Change of Control Put Date at its principal amount. To exercise such right, the holder of the relevant Bond must deliver such Bond to the Specified Office of the Paying and Conversion Agent, together with a duly completed and signed notice of

exercise in the form (for the time being current) obtainable from the Specified Office of the Paying and Conversion Agent (a "**Change of Control Put Exercise Notice**"), at any time during the Change of Control Period. The "**Change of Control Put Date**" shall be the fourteenth calendar day after the expiry of the Change of Control Period.

Payment in respect of any such Bond shall be made by transfer to a euro account maintained by the relevant Bondholder with a bank with access to the TARGET System as specified by the relevant Bondholder in the relevant Change of Control Put Exercise Notice.

A Change of Control Put Exercise Notice, once delivered, shall be irrevocable and the Issuer shall redeem all Bonds that are the subject of Change of Control Put Exercise Notices delivered as aforesaid on the Change of Control Put Date.

Bondholders should note that Belgian law in effect as at the date of the issuance of the Bonds requires that, where any person makes a public takeover bid on the shares of a Belgian listed company, such person shall also make an offer to (among others) holders of convertible bonds in the relevant company.

Bondholders should note that the exercise by any of them of the option set out in Condition 6(e) or any ability to exercise Conversion Rights at a Conversion Price determined in accordance with Condition 5(b)(x) will only be effective under Belgian law if, prior to the earliest of (a) the Issuer being notified by the Belgian Financial Services and Markets Authority of a formal filing of a proposed offer to the Shareholders of the Issuer or (b) the occurrence of the Change of Control, (i) the Change of Control Resolutions have been approved by the Shareholders of the Issuer in a general meeting of Shareholders and (ii) the Change of Control Resolutions have been filed with the Clerk of the Commercial Court of Ghent, division Kortrijk (greffe du tribunal de commerce/griffie van de rechtbank van koophandel). The Issuer has undertaken pursuant to Condition 10(k) to use all reasonable endeavours to procure that the Change of Control Resolutions be passed at the general meeting of Shareholders of the Issuer, and to file a copy of such resolutions as aforesaid immediately thereafter. If a Change of Control occurs prior to such approval and filing, Bondholders may not be entitled to exercise the option set out in Condition 6(e). There can be no assurance that such approval will be granted at such meeting.

(f) *Purchase*

Subject to the requirements (if any) of any stock exchange on which the Bonds may be admitted to listing and trading at the relevant time and subject to compliance with applicable laws and regulations, the Issuer or any Subsidiary of the Issuer may at any time purchase any Bonds in the open market or otherwise at any price. Bonds purchased by the Issuer or any of its Subsidiaries shall be surrendered to the Paying and Conversion Agent for cancellation and, if so surrendered, shall be cancelled forthwith and may not be reissued or re-sold.

(g) *Cancellation*

All Bonds which are redeemed or in respect of which Conversion Rights are exercised will be cancelled and may not be reissued or resold. Notice of any change in the Paying and Conversion Agent or its Specified Office will promptly be given by the Issuer to the Bondholders in accordance with Condition 16.

(b) *Payments of Principal and Premium*

Unless and until definitive Bonds are issued in exchange for book-entry interests in the Global Bond, payments of principal and premiums (if any) in respect of the Bonds will be made through the Paying and Conversion Agent and the NBB-SSS in accordance with the Agency Agreement and the regulations of the NBB-SSS.

Unless instructed otherwise by the Paying and Conversion Agent, the NBB will debit the account of the Paying and Conversion Agent with the NBB for payments due by the Issuer to the bondholders in accordance with the regulations of the NBB-SSS and will be responsible for ensuring that payments are credited to the accounts of the relevant participants in the NBB-SSS.

The payment obligations of the Issuer under the Bonds will be discharged once the NBB has debited the account of the Paying and Conversion Agent with the NBB with respect of each amount so paid.

The persons shown in the records of the NBB, of participants in the NBB-SSS and of their respective sub-participants as the holders of a particular principal amount at maturity of the Bonds must look solely to the NBB, participants in the NBB-SSS or their sub-participants, as the case may be, for their share of each payment so made by the Issuer to, or to the order of, the holders of such Bonds.

Upon issue of definitive Bonds in exchange for book-entry interests in the Global Bond, payments of:

8. Taxation

All payments made by or on behalf of the Issuer in respect of the Bonds will be made subject to and after deduction or withholding for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of Belgium or any political subdivision or any authority thereof or therein having power to tax required to be made by law. The Issuer will not be required to pay any additional or further amounts in respect of such deduction or withholding.

The Bonds will be accepted for clearing in the NBB-SSS, but their circulation is limited to so-called X-accounts, which are exempt securities accounts opened with a financial institution that is a direct or indirect participant in the NBB-SSS on behalf of investors that are eligible investors as referred to in article 4 of the Belgian Royal Decree of 26 May 1994 on the deduction of withholding tax (Arrêté royal du 26 mai 1994 relatif à la perception et à la bonification du précompte mobilier / Koninklijk besluit van 26 mei 1994 over de inhouding en de vergoeding van de roerende voorheffing). Holding Bonds on an X-account in the NBB-SSS enables such eligible investors, as at the date of these terms and conditions, to transfer the Bonds on a gross basis. As at the date of these terms and conditions, Euroclear and Clearstream only hold bonds in the NBB-SSS on X-accounts on behalf of eligible investors.

9. Events of Default

- (c) (i) any other present or future indebtedness of the Issuer or any of its Material Subsidiaries for or in respect of moneys borrowed or raised becomes due and payable prior to its stated maturity by reason of any event of default (howsoever described), or (ii) any such indebtedness is not paid when due or if later, as the case may be, at the end of any applicable grace period, or (iii) the Issuer or any of its Material Subsidiaries fails to pay when due any amount payable by it under any present or future guarantee for, or indemnity in respect of, any moneys borrowed or raised, provided, in any instance, the aggregate amount of the relevant indebtedness, guarantees and indemnities in respect of which one or more of the events mentioned above in this paragraph (c) have occurred and is continuing equals or exceeds €20,000,000 (or its equivalent in any other

- (e) if any mortgage, charge, pledge, lien or other encumbrance, present or future, created or assumed by the Issuer or any of its Material Subsidiaries over all or a substantial part of its property or assets for an amount at the relevant time in excess of €20,000,000 (or its equivalent in any other currency or currencies) becomes enforceable and any step is taken to enforce it (including the taking of possession or the appointment of a receiver, administrative receiver, manager or other similar person) unless such enforcement is discharged within 60 calendar days or is the subject of a bona fide dispute; or
- (f) if the Issuer or any of its Material Subsidiaries is bankrupt or unable to pay its debts, stops, suspends or announces its intention to stop or suspend payment on any of its debts, or, by reason of actual or anticipated financial difficulties, commences negotiations with one or more of its creditors with a view to deferring, rescheduling or otherwise readjusting any indebtedness, or a moratorium is declared or comes into effect in respect of or affecting all or any part of (or of a particular type of) the debts of the Issuer or any of its Material Subsidiaries; or
- (g) if an order is made or any corporate action is taken for the winding-up, dissolution, administration or reorganisation of the Issuer or any of its Material Subsidiaries, or the Issuer or any of its Material Subsidiaries ceases or threatens to cease to carry on all or substantially all of its business or operations, or if a receiver, liquidator, administrator, administrative receiver, trustee or similar officer is appointed in respect of the Issuer or any of its Material Subsidiaries or of all or a substantial part of its revenues and assets, except, in each case, for the purpose of a solvent liquidation of a Material Subsidiary;

provided that the Trustee shall have certified that, with respect to paragraphs (b), (f) and (g) above (and in relation to (f) and (g) with respect to a Material Subsidiary only and not the Issuer), in its opinion, such event is materially prejudicial to the interests of the Bondholders.

10. Undertakings

Whilst any Conversion Right remains exercisable, the Issuer will, save with the approval of a Resolution or with the prior written approval of the Trustee where, in its opinion, it is not materially prejudicial to the interests of the Bondholders to give such approval:

- (a) not issue or pay up any Securities, in either case by way of capitalisation of profits or reserves, other than:
 - (i) by the issue of fully paid Ordinary Shares to Shareholders and other holders of shares in the capital of the Issuer which by their terms entitle the holders thereof to receive Ordinary Shares or other shares or Securities on a capitalisation of profits or reserves; or
 - (ii) by the issue of Ordinary Shares paid up in full (in accordance with applicable law) and issued wholly, ignoring fractional entitlements, in lieu of the whole or part of a cash Dividend; or
 - (iii) by the issue of fully paid equity share capital (other than Ordinary Shares) to the holders of equity share capital of the same class and other holders of shares in the capital of the

Issuer which by their terms entitle the holders thereof to receive equity share capital (other than Ordinary Shares); or

- (iv) by the issue of Ordinary Shares or any equity share capital to, or for the benefit of, any employee or former employee, independent service provider providing services on a more than halftime basis or former independent service provider providing services on a more than halftime basis, director or executive holding or formerly holding executive office of the Issuer or any of its Subsidiaries or any associated company or to trustees or nominees to be held for the benefit of any such person, in any such case pursuant to an employee, director or executive share or option scheme whether for all employees, directors, or executives or any one or more of them,

unless, in any such case, the same constitutes a Dividend or otherwise gives (or, in the case of an issue or payment up of Securities in connection with a Change of Control, will give) rise (or would, but for the provisions of Condition 5(f) relating to roundings or the carry forward of adjustments, give rise) to an adjustment to the Conversion Price or is (or, in the case of any issue or payment up of Securities in connection with a Change of Control, will be) otherwise taken into account for the purposes of determining whether such an adjustment should be made;

- (b) not modify the rights attaching to the Ordinary Shares with respect to voting, dividends or liquidation nor issue any other class of equity share capital carrying any rights which are more favourable than the rights attaching to the Ordinary Shares but so that nothing in this Condition 10(b) shall prevent:
 - (i) the issue of equity share capital to employees or former employees, independent service providers providing services on a more than halftime basis or former independent service providers providing services on a more than halftime basis or directors (including directors holding or formerly holding executive office or the personal service company of any such person) (or the spouse or relative of any such person) whether of the Issuer or any of its Subsidiaries or associated companies by virtue of their office or employment pursuant to any employees' share or option scheme; or
 - (ii) any consolidation, reclassification or subdivision of the Ordinary Shares; or
 - (iii) any modification of such rights which is not, in the reasonable opinion of an Independent Financial Adviser, materially prejudicial to the interests of the holders of the Bonds; or
 - (iv) any issue of equity share capital where the issue of such equity share capital results, or would, but for the provisions of Condition 5(f) relating to roundings or the carry forward of adjustments or, where comprising Ordinary Shares, the fact that the consideration per Ordinary Share receivable therefor is at least 95 per cent. of the Current Market Price per Ordinary Share, otherwise result, in an adjustment to the Conversion Price; or
 - (v) without prejudice to any rule of law or legislation, the conversion of Ordinary Shares into, or the issue of any Ordinary Shares in, uncertificated form (or the conversion of Ordinary Shares in uncertificated form to certificated form) or the amendment of the Articles of Association of the Issuer to enable title to securities in the Issuer (including Ordinary Shares) to be evidenced and transferred without a written instrument or any other alteration to the Articles of Association of the Issuer made in connection with the matters described in this Condition 10(b) or which is supplemental or incidental to any of the foregoing (including any amendment made to enable or facilitate procedures relating to such matters and any amendment dealing with the rights and obligations of holders of Securities, including Ordinary Shares, dealt with under such procedures); or

- (vi) any issue of equity share capital or modification of rights attaching to the Ordinary Shares, where prior thereto the Issuer shall have instructed an Independent Financial Adviser to determine what (if any) adjustments should be made to the Conversion Price as being fair and reasonable to take account thereof and such Independent Financial Adviser shall have determined either that no adjustment is required or that an adjustment resulting in a decrease in the Conversion Price is required and, if so, the new Conversion Price as a result thereof and the basis upon which such adjustment is to be made and, in any such case, the date on which the adjustment shall take effect (and so that the adjustment shall be made and shall take effect accordingly);
- (c) procure that no Securities (whether issued by the Issuer or any Subsidiary (other than a Jointly Controlled Subsidiary) of the Issuer or procured by the Issuer or any Subsidiary (other than a Jointly Controlled Subsidiary) of the Issuer) to be issued or issued by any other person pursuant to any arrangement with the Issuer or any Subsidiary (other than a Jointly Controlled Subsidiary) of the Issuer), and use reasonable endeavors to procure that no Securities (whether issued by a Jointly Controlled Subsidiary or procured by a Jointly Controlled Subsidiary to be issued or issued by any other person pursuant to any arrangement with any Jointly Controlled Subsidiary), issued without rights to convert into, or exchange or subscribe for, Ordinary Shares shall subsequently be granted such rights exercisable at a consideration per Ordinary Share which is less than 95 per cent. of the Current Market Price per Ordinary Share at the close of business on the last dealing day preceding the date of the first public announcement of the proposed inclusion of such rights unless the same gives rise (or would, but for the provisions of Condition 5(f) relating to roundings or the carry forward of adjustments, give rise) to an adjustment to the Conversion Price and that at no time shall there be in issue Ordinary Shares of differing nominal values, save where such Ordinary Shares have the same economic rights;
- (d) not make any issue, grant or distribution or take or omit to take any other action if the effect thereof would be that, on the exercise of Conversion Rights, Ordinary Shares could not, under any applicable law then in effect, be legally issued as fully paid;
- (e) not reduce its issued share capital, share premium account, or any uncalled liability in respect thereof, or any non-distributable reserves, except:
 - (i) pursuant to the terms of issue of the relevant share capital; or
 - (ii) by means of a purchase or redemption of share capital of the Issuer to the extent, in any such case, permitted by applicable law; or
 - (iii) where the reduction does not involve any distribution of assets; or
 - (iv) solely in relation to a change in the currency in which the nominal value of the Ordinary Shares is expressed; or
 - (v) to create distributable reserves; or
 - (vi) to absorb accounting losses recognized by the Issuer, to create a reserve to absorb foreseeable accounting losses or to create an unavailable reserve in accordance with Article 622, §2, paragraph two of the Belgian Company Code, in each case in accordance with Article 614 of the Belgian Company Code; or
 - (vii) by way of transfer to reserves as permitted under applicable law; or
 - (viii) where the reduction is permitted by applicable law and the Trustee is advised by an Independent Financial Adviser, acting as an expert, that the interests of the Bondholders will not be materially prejudiced by such reduction; or

- (ix) where the reduction is permitted by applicable law and results (or, in the case of a reduction in connection with a Change of Control, will result) in (or would, but for the provisions of Condition 5(f) relating to roundings or the carry forward of adjustments, result in) an adjustment to the Conversion Price or is (or, in the case of a reduction in connection with a Change of Control, will be) otherwise taken into account for the purposes of determining whether such an adjustment should be made,

provided that, without prejudice to the other provisions of these Conditions, the Issuer may exercise such rights as it may from time to time be entitled pursuant to applicable law to purchase, redeem or buy back its Ordinary Shares and any depositary or other receipts or certificates representing Ordinary Shares without the consent of Bondholders;

- (f) if any offer is made to all (or as nearly as may be practicable all) Shareholders (or all (or as nearly as may be practicable all) Shareholders other than the offeror and/or any parties acting in concert with the offeror (as defined in Article 3, paragraph 1, 5° of the Belgian Act of 1 April 2007 on public takeover bids or any modification or re-enactment thereof)) to acquire all or a majority of the issued ordinary share capital of the Issuer, give notice of such offer to the Bondholders at the same time as any notice thereof is sent to the Shareholders (or as soon as practicable thereafter) that details concerning such offer may be obtained from the Specified Office of the Paying and Conversion Agent and, where such an offer has been recommended by the Board of Directors of the Issuer, or where such an offer has become or been declared unconditional in all respects, use all reasonable endeavours to procure that a like offer is extended to the holders of any Ordinary Shares issued during the period of the offer arising out of the exercise of the Conversion Rights by the Bondholders and/or to the holders of the Bonds;
- (g) use all reasonable endeavors to ensure that the Ordinary Shares issued upon exercise of Conversion Rights (x) will, as soon as is practicable, be admitted to listing and to trading on the Relevant Stock Exchange and (y) will be listed, quoted or dealt in, as soon as is practicable, on any other stock exchange or securities market on which the Ordinary Shares may then be listed or quoted or dealt in;
- (h) for so long as any Bond remains outstanding, use all reasonable endeavours to ensure that its issued and outstanding Ordinary Shares shall be admitted to listing on the Relevant Stock Exchange;
- (i) at all times keep available for issue, free from pre-emptive rights out of its authorised but unissued capital, sufficient authorised but unissued Ordinary Shares to enable the exercise of all Conversion Rights, and all other rights of subscription and exchange for Ordinary Shares, to be satisfied in full;
- (j) procure that it shall not become domiciled or resident in or subject generally to the taxing authority of any jurisdiction (other than Belgium) unless it would not thereafter be required pursuant to then current laws and regulations to withhold or deduct for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of such jurisdiction or any political subdivision thereof or therein having power to tax in respect of any payment on or in respect of the Bonds which are significantly different from those imposed or levied under the taxing authority of Belgium; and
- (k) (i) use all reasonable endeavours to obtain that the Change of Control Resolutions are approved by a resolution of the Shareholders of the Issuer in a general meeting of Shareholders, and in connection therewith to propose a resolution to such effect at the general meeting of Shareholders of the Issuer scheduled to be held by no later than the Long-stop Date, and (ii) immediately following approval of such a resolution to file a copy thereof with the Clerk of the Commercial Court of Ghent, division Kortrijk (*greffe du tribunal de commerce/griffie van de rechtbank van koophandel*).

The Trustee will be entitled to rely on such certificate and shall not be obliged to independently monitor compliance by the Issuer with the undertakings set forth in this Condition 10 or otherwise in the Trust Deed, nor be liable to any person for not so doing. The Trustee is also entitled to rely, without further investigation, on a certificate signed by two authorised signatories of the Issuer certifying its Material Subsidiaries and shall incur no liability to any person for so doing.

As used in these Conditions, "**share capital**" has the meaning given to *capital/kapitaal* in Article 476 of the Belgian Company Code.

11. Prescription

Claims against the Issuer for payment in respect of the Bonds shall be prescribed and become void unless made within 10 years from the appropriate Relevant Date in respect of such payment (in the case of principal) or from the due date for payment thereof (in respect of any other amounts).

12. Replacement of Bonds

Such a meeting may be convened by the Issuer or the statutory auditor of the Issuer and shall be convened by the Issuer if requested in writing by the Trustee or Bondholders holding not less than 20 per cent. in principal amount of the Bonds for the time being outstanding. The quorum for any meeting shall be as set out in Article 574 of the Belgian Company Code. All Resolutions require the approval of at least 75 per cent. in principal amount of the Bonds the holders of which are taking part in the vote. Under Article 574 of the Belgian Company Code, if a Resolution is approved by Bondholders holding or representing less than one-third of the principal amount of the Bonds for the time being outstanding (whether their holders are present or represented at the meeting or not), such Resolution is not enforceable unless approved by the Belgian Court of Appeal in the district where the Issuer's registered office is located. The Trustee may not have standing to make such a request to the Belgian Court of Appeal on behalf of the Bondholders. The Trustee may, in its sole discretion, without the consent of the Bondholders, prescribe such other or further regulations regarding the holding of meetings of Bondholders and attendance and voting thereat. The Trustee may, without the consent of the Bondholders, determine any Event of Default or a Potential Event of Default should not be treated as such, provided that in the opinion of the Trustee, the interests of Bondholders will not be materially prejudiced thereby. Any such modification, authorisation or waiver shall be binding on the Bondholders and, unless the Trustee agrees otherwise, such modification shall be notified to the Bondholders as soon as practicable in accordance with Condition 16.

(c) *Substitution*

The Trustee may, without the consent of the Bondholders agree with the Issuer to the substitution in place of the Issuer (or any previous substitute or substitutes under this Condition) as the principal debtor under the Bonds and the Trust Deed of any Subsidiary of the Issuer subject to (a) the Bonds being unconditionally and irrevocably guaranteed by the Issuer, and (b) the Bonds continuing to be convertible or exchangeable into Ordinary Shares as provided in these Conditions *mutatis mutandis* as provided in these Conditions, with such amendments as the Issuer certified to the Trustee are required to ensure the Bonds continue to be so convertible, and certain other conditions set out in the Trust Deed are being complied with. In the case of such a substitution the Trustee may agree, without the consent of the Bondholders, to a change of the law governing the Bonds and/or the Trust Deed provided that such change would not in the opinion of the Trustee be materially prejudicial to the interests of the Bondholders. Any such substitution shall be binding on the Bondholders and shall be notified promptly to the Bondholders in accordance with Condition 16.

(d) *Entitlement of the Trustee*

In connection with the exercise of its functions (including but not limited to those referred to in this Condition) the Trustee shall have regard to the interests of the Bondholders as a class and, in particular but without limitation, shall not have regard to the consequences of the exercise of its trusts, powers or discretions for individual Bondholders resulting from their being for any purpose domiciled or resident in, or otherwise connected with, or subject to the jurisdiction of, any particular territory, and the Trustee shall not be entitled to require, nor shall any Bondholder be entitled to claim, from the Issuer or any other person any indemnification or payment in respect of any tax consequence of any substitution of the Issuer upon individual Bondholders.

No Bondholder shall be entitled to proceed directly against the Issuer unless the Trustee, having become bound so to proceed, fails so to do within a reasonable period and the failure shall be continuing.

15. The Trustee

The Trust Deed contains provisions for the indemnification of the Trustee and for its relief from responsibility, including relieving it from taking proceedings unless indemnified and/or secured and/or prefunded to its satisfaction. The Trustee is entitled to enter into business transactions with the Issuer and any entity related to the Issuer without accounting for any profit and to act as trustee for the holders of any other securities issued or guaranteed by, or relating to, the Issuer and/or any of the Issuer's Subsidiaries, to exercise and enforce its rights, comply with its obligations and perform its duties under or in relation to any such transactions or, as the case may be, any such trusteeship without regard to the interests of, or consequences for, the Bondholders and to retain and not be liable to account for any profit made or any other amount or benefit received thereby or in connection therewith. The Trustee may rely, without liability to the Bondholders or any other person, on a report, confirmation or certificate or any advice of any accountants, financial advisers (including, for the avoidance of doubt, any Independent Financial Adviser) or financial institution, whether or not addressed to it and whether their liability in relation thereto is limited (by its terms or by any engagement letter relating thereto entered into by the Trustee or in any other manner) by reference to a monetary cap, methodology or otherwise. The Trustee shall be obliged to accept and be entitled to rely on any such report, confirmation or certificate or advice where the Issuer procures delivery of the same pursuant to its obligation to do so under any provision of these Conditions or the Trust Deed and such report, confirmation or certificate or advice shall be binding on the Issuer, the Trustee and the Bondholders in the absence of manifest error.

Any such notice shall be deemed to have been given on the date of such publication or, if required to be published in more than one newspaper or in more than one manner, on the date of the first such publication in all the required newspapers or in each required manner. If publication as provided above is not practicable, notice will be given in such other manner, and shall be deemed to have been given on such date, as the Trustee may approve.

The Issuer shall send a copy of all notices given by it to Bondholders pursuant to these Conditions simultaneously to the Calculation Agent.

Resolutions to be submitted to the meeting must be described in the convening notice. In addition, the convening notice shall specify the procedures in respect of voting on resolutions to be decided by the meeting.

17. Further Issues

The Issuer may from time to time without the consent of the Bondholders create and issue further notes, bonds or debentures either having the same terms and conditions in all respects as the outstanding notes, bonds or debentures of any series (including the Bonds and, in such case, referred to herein as the "**Further Bonds**") or in all respects except for the first date on which conversion rights may be exercised and so that such further issue shall be consolidated and form a single series with the outstanding notes, bonds or debentures of any series (including the Bonds) or upon such terms as to conversion, premium, redemption and otherwise as the Issuer may determine at the time of their issue, to the extent permitted under applicable tax laws. Any further notes, bonds or debentures forming a single series with the outstanding notes, bonds or debentures of any series (including the Bonds) constituted by the Trust Deed or any deed supplemental to it shall, and any other notes, bonds or debentures may, with the consent of the Trustee, be constituted by a deed supplemental to the Trust Deed. Condition 13(a) (*Meetings of Bondholders*) and Condition 13(e) (*Meetings of Shareholders and Right to Information*) are governed by, and shall be construed in accordance with, Belgian law.

(b) *Jurisdiction*

The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Trust Deed, the Agency Agreement and the Bonds, and accordingly any legal action or proceedings arising out of or in connection with the Trust Deed, the Agency Agreement and the Bonds ("**Proceedings**") may be brought in such courts. The Issuer has in the Trust Deed irrevocably submitted to the jurisdiction of such courts and has waived any objection to Proceedings in such courts whether on the ground of venue or on the ground that the Proceedings

have been brought in an inconvenient forum. These submissions are made for the benefit of the Trustee and the Bondholders and shall not limit the right of any of them to take Proceedings in any other court of competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not). The Issuer has appointed Bekaert Ltd, The Gateway Business Centre Unit 7, 5 Leeds Road GB-Sheffield S9 3TY, England as its agent for service of process in England.

Notwithstanding the foregoing, Belgian courts have exclusive jurisdiction over matters concerning the validity of decisions of the board of directors of the Issuer, of the general meeting of Shareholders of the Issuer and of the general meeting of Bondholders.
