

## The Bekaert policy on responsible minerals sourcing – Compliance form

The requirements described in the Bekaert Policy on Responsible Minerals Sourcing (SP-Q-45007-BCQA/Version: 5) are valid for all business transactions between the Bekaert Group and the upstream suppliers delivering minerals potentially originating from conflict-affected and high-risk areas.

Your signature confirms your understanding and agreement with the requirements and obligations towards Bekaert and within the entire mineral supply chain.
