Bezinal® Vineyard Solutions

The best trellis wire for your vines to grow a higher yield

General description

Choose Bezinal® Vineyard wire for a sustainable and durable trellis system that requires little maintenance. With low elongation and proven corrosion resistance, you can enjoy increased yields and a longer trellis lifetime. Trust Bekaert, with over 140 years of experience in global steel wire manufacturing, to guarantee consistent quality from our factory to your vineyard.

Application

Our vineyard wire solutions with Bezinal® coating provide long-lasting support for your trellising and training systems, resulting in higher yield returns for your vines.
