The annual report is available on the Company's website well in advance of the Annual General Meeting, in Dutch and English, at [www.bekaert.com](http://www.bekaert.com) and can be downloaded.

The Board is therefore attentive to the appreciation and the signals that it receives from the principal shareholder, and maintains a constructive dialogue with them. Twice a year, this constructive dialogue is externalized through the organization of a "Principal Shareholder Day", during which the Chairperson, the Board and the CEO on the one hand and the principal shareholder on the other hand can exchange their thoughts about the Group.

The Board encourages the principal shareholder to clearly express its strategic objectives to the Board in a timely manner, to make a considered use of its position, and to take special care to prevent conflicts of interest and to respect the rights and interests of minority shareholders.

Within the framework of its task to foster sound investor relations, the Board shall ensure that shareholders having declared a shareholding of at least 10% under the transparency rules are in this respect treated on the same footing as the principal shareholder.

In practice, this means that the Company seeks to maintain a pay-out ratio of around 40% of the result for the period attributable to the Group over the longer term.
